NOTICE TO PROPOSED INSURED

Instructions to the Agent/Producer: This notice must be given to the proposed insured before or at the time of signature.

Federal Fair Credit Reporting Act Notice

Federal law requires that you be advised that in connection with your application or informal inquiry concerning insurance an investigative consumer report may be prepared whereby information is obtained through personal interviews with your family, friends, neighbors, business associates, financial sources, or others with whom you are acquainted. This report would include information as to your character, general reputation; personal characteristics and mode of living, except as may be related directly or indirectly to your sexual orientation. If you make a written request to any of the insurers named on the reverse side within a reasonable time after receipt of this notice, you will be informed whether or not an investigative consumer report was requested, and if such a report was requested, you will be advised of the name and address of the consumer reporting agency to whom the request was made. The consumer reporting agency, upon request, will furnish information as the nature and scope of its investigation. You have the right to inspect and to receive a copy of any such report by contacting the consumer reporting agency.

The Medical Information Bureau (MIB)

A source of information and medical records, MIB is a non-profit insurance support corporation which operates an information exchange on behalf of member life insurance companies. Member companies will ask the MIB if it has a record concerning you. If you previously applied to a member company for insurance, MIB may have information about you in its file. The purpose of the MIB is to protect member companies and their policy owners from those who would conceal significant facts relevant to their insurability. The information which is obtained from MIB may be used only as an alert to the possible need for further independent investigation. It cannot be used as a basis in making a final underwriting decision.

At your request, the MIB will arrange disclosure of any information it may have about you in its file. If you question the accuracy of information on file, you may contact the MIB and seek a correction in accordance with the procedures set forth in the Federal Fair Credit Reporting Act. The address of the information office of MIB, Inc. is PO Box 105, Essex Station, Boston Massachusetts 02112, telephone number: 612.426.3660.

Notice of Insurance Information Practices

In some situations, and in compliance with applicable law, the consumer reporting agency may disclose necessary items of information to the parties without your specific authorization.

You have the right to be told about, and to see and copy if you wish, items of personal information about you that appears in their files, including information contained in investigative consumer reports. You also have the right to seek correction of information you believe to be inaccurate.
